

FAITH'S LODGE

a place where hope grows

Families at Faith's Lodge can "saddle up" in 2016 thanks to Karsyn's Krusaders and the Krohn Family

FEB 12, 2016. DANBURY, WISC. Families coping with the medically-complex condition or loss of a child who come to Faith's Lodge this summer will have the chance to go horseback riding thanks to a grant from Karsyn's Krusaders and its Hope & Healing Project with the Krohn Family. The grant honors the memory of Natalie Krohn, an avid horse fan who died at the tender age of nine.

Natalie's Riding program will provide families the opportunity to bond together through riding and connect with each other through the beauty of horses. Children will receive a workbook with content geared towards helping them understand their role in a family and their feelings. The grant covers the program materials, cost of riding, safety equipment, lunch at the stable and a commemorative photo.

This generous grant will impact many families and covers the cost of 80 rides at Frontier Stables over the course of summer. THANK YOU KARSYNS KRUSADERS AND THE KROHN FAMILY!

About Faith's Lodge

Faith's Lodge supports parents and families facing the medically-complex condition or death of a child in a peaceful setting to reflect on the past, renew strength for the present, and build hope for the future. The year-round retreat in Danbury, Wis., provides a peaceful escape for families from across the United States to refresh their minds and spirits while spending time with others who understand what they are experiencing. For programming schedule and more information, visit www.faithslodge.org.
